

Should I send in my payment and Renewal Application Form even though I have a Hold-Delay indicated in Section 2 of my Basic License Application?

Yes. The Department must receive the completed renewal form and full payment no later than thirty (30) days after a license expires. A license holder who does not renew or attempt to renew by thirty (30) days after expiration will not be permitted to renew later and must instead apply for a new license. [804 KAR 4:390](#).
